

# GAUTENG

# TOSHIBA

**Gauteng Toshiba** is a one-stop provider of recognised, world-class office equipment required for the efficient running of modern businesses. With experience in the office supply industry dating back to 1976, Gauteng Toshiba was established in 1988. We have been a registered Toshiba dealer since 1993.

We offer a variety of products, for sale or rent, that are guaranteed to increase efficiency and productivity in the workplace. Choosing us as your supplier means you can look forward to the smooth day-to-day running of all your office operations, with friendly support when you need it. Products include: printers, photocopiers, shredders, duplicators and consumables.

Our speciality is the supply of excellent and reliable products, backed by a swift and efficient service department. Finding the 'right fit' solution for your company is our topmost priority.

The **Gauteng Toshiba** range covers everything from small, multi-function units ideal for SMEs, to high-volume colour and mono copiers. In addition, we also offer the Duplo and Riso range of digital duplicators, which are capable of producing high-volumes of prints at very low costs.

Our core values are: reliability, flexibility, being hands-on, offering value for money, and living up to our reputation as experts in the field. We believe in good, old-fashioned service, valuing our clients and building long lasting relationships. As such, our client base stretches across the entire Gauteng region – part of the country-wide network of Toshiba branches. We carry a BEE level 4 certification.

Need a trade-in or settlement on you existing office equipment? Speak to us!
